LETTER OF THE WEEK

This week we learned the letter sound /t/. We learned how to spell a word by stretching the word and listening carefully to what sounds we hear.

ASK YOUR CHILD:

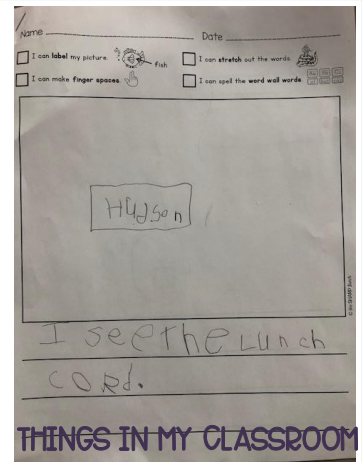

What object begins with the letter Tt?
Have them stretch the word and spell it ☺

WRITING FOCUS

We have been learning so much about adding sight words to our writing. We have also been learning how to write sentences that match our pictures. Your child picked a place and wrote all the things they see.

ASK YOUR CHILD: Write some of the things you see at the store.

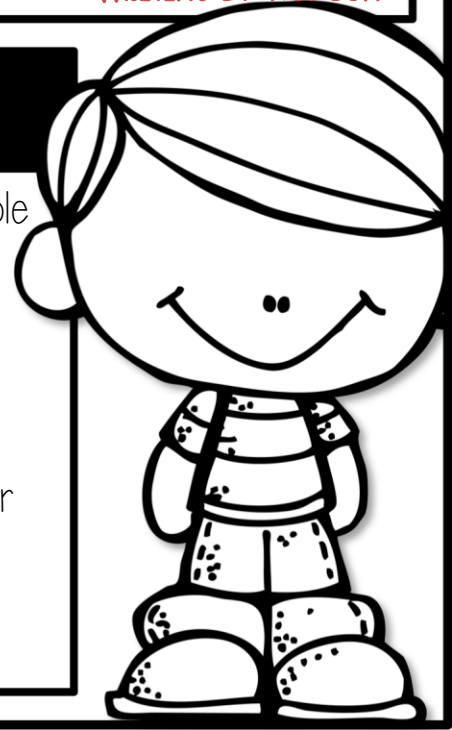

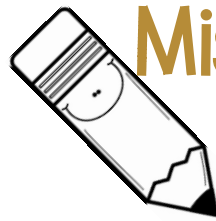

THINGS IN MY CLASSROOM
WRITING BY: HUDSON

LOVE ART? WANT TO BE AN ART DOCENT?

Is anyone interested in doing the class art project for the Maple hills auction? The auction will held in March, so there's plenty of time to imagine and create the art. For those who have attended in the past, you know that each class enters an art piece that will be sold to the highest bidder. It's a really fun portion of the evening and a great way to help raise funds for our PTA programs.

Any questions please contact Manda via email

Great Readers always track their words by pointing to each word as they read.

READING FOCUS

Reading: We have been learning "HOW TO LEARN A WORD"

ASK YOUR CHILD: Teach me how to learn the word "the".

MATH FOCUS

Math: We are continuously learning how to write numbers 1-8 carefully and accurately. Playing "Hide and Seek" with dots on a 5-frame has been so much fun!

Ask your child: What are the hidden numbers in the number 8.? Practice with your child saying..."__ and __ make 8!" This will prepare them for number sentences.

WE LOVE KINDERGARTEN!

The Fall Harvest Celebration was such a very eventful day! The scarecrow/farmer parade was just ADORABLE! We made pumpkin art, numbers in the pumpkin patch, and had a lot of different fall activities!

We are so excited for the next celebration! Happy November! ☺
Please check out Seesaw for pictures of your child.
